Introduction

As a leader and innovator of photographic imagery, it is no wonder that we have been in the forefront, all these years, in creating the most beautiful imagery in the wedding industry. Our 21 plus years of experience gives us the expertise and confidence, that is required, to approach each wedding and all of its magical parts with a unique photographic interpretation.

We will capture the unique magic, love, smiles, and romance that flows throughout your wedding day in a style that is as unique as the two of you. The master artistry that is Michael Sendrey can show the unique aspects of your wedding day in images that will let you relive the moments for years to come.
